**koda plus
Dreadnought Acoustic Guitar
Bag ONE**
KDA-03302

The Dreadnought Acoustic Guitar Bag ONE features 10mm of padding and fits most dreadnought guitars. An adjustable and removable neck cushion secures and protects the guitar neck, while extra base padding protects the strap pin. Adjustable shoulder straps and a comfortable handle enable easy carrying, even for extended trips. This bag has a water-resistant, 100% polyester exterior. A padded front pocket stores medium to large-sized accessories, while an internal mesh pocket fits smaller items like tuners, picks and capos.

**koda plus
Bass Guitar
Bag ONE**
KDA-03304

The Bass Guitar Bag ONE is the perfect addition to any gig. It fits most electric bass guitars and is made from a water-resistant, 100% polyester exterior with 10mm of padding for protection against impacts. A wider top accommodates most headstock sizes. This bag has a removable neck cushion that secures and protects the guitar neck at all times, and adjustable cushion pads for strap pin protection. Rubber feet absorb shocks from unexpected drops, while premium zippers ensure smooth and reliable guitar access at all times.

On the outside, this bag features adjustable shoulder straps and an ergonomic handle that balances the weight of the guitar for seamless one-handed carrying. A padded front storage compartment accommodates a 13" laptop, and a hidden mesh pocket holds small to medium-sized accessories.
